2011

The High-Tech Show

INTERNATIONAL PLASTIC FAIR

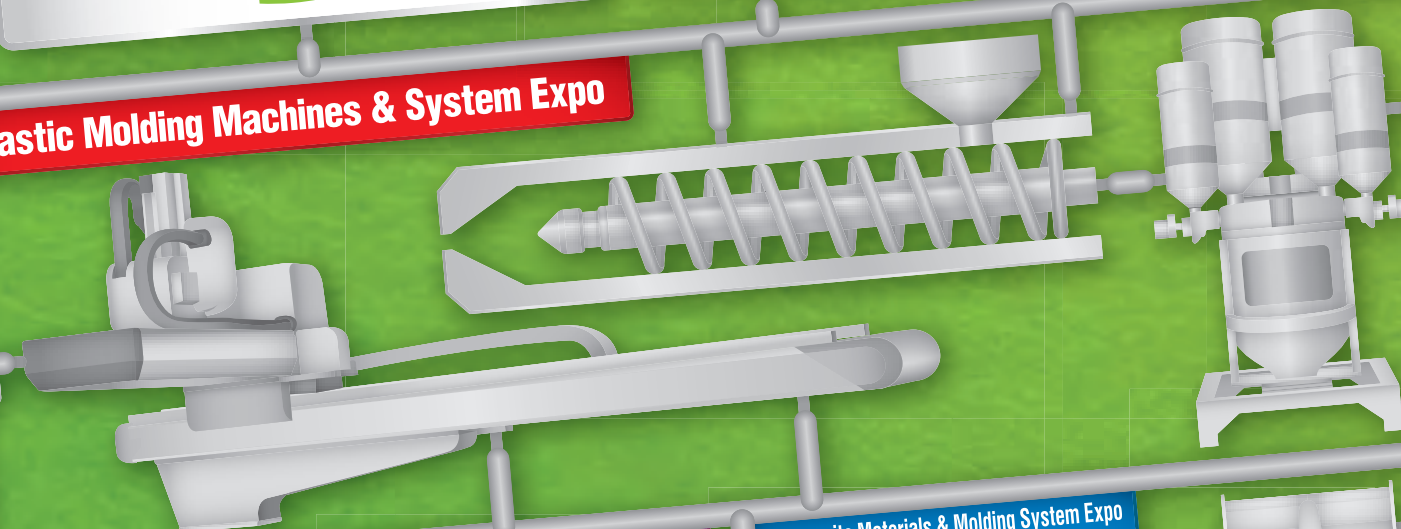

Venue: **Makuhari Messe**
1 hour from Tokyo Central Station

October 25-29, 2011

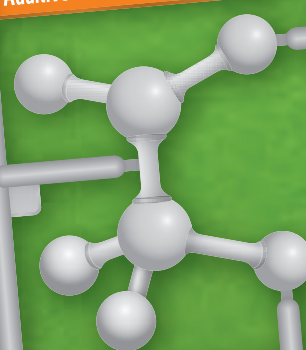

www.ipfjapan.jp

EXHIBITING PROSPECTUS Organizer: IPF Association

Plastic Molding Machines & System Expo

High-performance Raw Materials, Additives & Fillers Expo

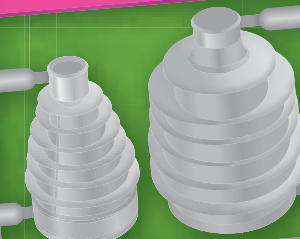

Contracted Manufacturing & Processing Service Expo

Composite Materials & Molding System Expo
-FRP & CFRP & FRTP-

Rubber Materials & Molding System Expo

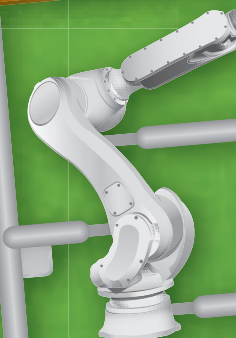

Recycling Equipment Expo

Mold Design & Manufacturing System Expo for Plastic & Rubber

Multi-joint Robot Zone

Foamed Plastic Expo

IPF JAPAN is the assembly of specialized trade shows which covers every process of plastic and rubber molding.

“Win the battle among materials! –Beat metals, glasses and ceramics–”

High-performance Raw Materials, Additives & Fillers Expo

Exhibitor
Raw materials, additives & fillers makers

Target User
Product designer of automobile and electronic devices, Plastic molders and processors

Special Theme Silicon corner, Bioplastics corner

“Seek the ultimate performance”

Plastic Molding Machines & System Expo

①Injection Zone ②Extrusion Zone (Special Theme: Film Processing Corner) ③Blow & Bottle Zone
④Thermoforming & Other Molding Zone ⑤Ancillary Equipment Zone ⑥Secondary Processing Zone
⑦Parts & Component Zone ⑧Controller & Measuring Equipment Zone ⑨Factory Facilities Zone

Exhibitor
Molding machines makers, Parts makers, Ancillary equipment makers, Plant facility makers

Target User
Plastic molders and processors

“Zero defects production starts from here”

Mold Design & Manufacturing System Expo for Plastic & Rubber

Exhibitor
Machine tool makers, CAD/CAM and flow simulation software makers, Mold base/parts makers, Mold repair tool makers, Mold clumping system makers, Hot runner makers

Target User
Mold manufactures, Mold designers

“Future of Rubber”

Rubber Materials & Molding System Expo

Exhibitor
Rubber raw materials makers, Rubber molding & processing machines makers

Target User
Rubber molders and processors

Special Theme TPE corner

“Saving weight & expanding application”

Composite Materials & Molding System Expo –FRP & CFRP & FRTP–

Exhibitor
Thermosets makers, Filler makers, Composite processing machines makers

Target User
Automobile makers, Airplane makers, Electronics parts makers

“Foam opens new era”

Foamed Plastic Expo

Exhibitor
Foam raw material makers, Foam molding machine makers, Foam processing machine makers, Foam products

Target User
Form molders and processors

Co-organizer Foam Times Co., Ltd.

“Automation create additional value!”

Multi-joint Robot Zone

Exhibitor
Multi-joint robot makers

Target User
Molders and processors who want to improve productivity and lower labor cost

“Eco-friendly is compatible with business-friendly”

Recycling Equipment Expo

Exhibitor
Recycling equipment makers

Target User
Molders, Recycling Company

“Can you sell your skills and know-hows?”

Contracted Manufacturing & Processing Service Expo

①Industrial Component & Medical Device Zone ②Secondary Processing Zone –Printing & Decorating & Cutting & Welding– ③Mold Manufacturing Zone ④Design & Prototyping & Manufacturing Support Zone

Exhibitor
Contracted manufacturing and processing companies, Prototype design and production companies, Molders and processors

Target User
Procurement manager of automobile makers, Electronics appliances makers, Medical device makers

IPF Japan 2011 Show Profile

Title: IPF Japan 2011 (International Plastic Fair) [7th IPF since 1994]

Date: Oct. 25 – 29, 2011 5Days

Show Hours: 10:00 – 17:00 [Last day: 16:00]

Venue: Makuhari Messe (1 hour from Tokyo Central Station)
<http://www.m-messe.co.jp/en/access/index.html>

Organizer: International Plastic Fair Association

Support: Ministry of Economy, Trade and Industry/
 Japan External Trade Organization (JETRO) (application scheduled)

Cooperation: Major Plastic and Rubber Associations

Scale: Exhibitors : 993, No. of Booth : 2,878
 (Net: about 25,000sqm.) (IPF2008)

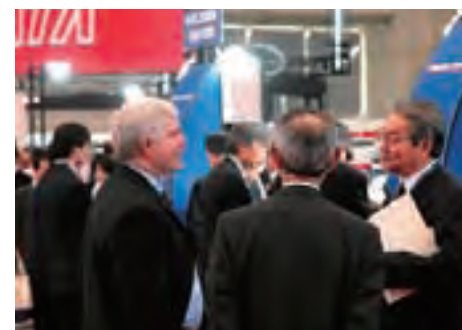

Visitors: 66,642 (IPF2008)

Entrance Fee: Free for pre-registrant through IPF website
 JPY ¥ 1,000 for on-site registration (Good for 5 days)

Cycle: Once every 3 years

Schedule

Deadline of Space Reservation	April 8, 2011
Payment Deadline of Exhibit Space Fee	May 31
Exhibitor's Manual and Booth Layout (Floor Plan) will be sent to exhibitors	Early June
Power Cable & Water Pipe Construction by Organizer	October 20
Move-in & Booth Decoration by Exhibitors	October 21-24
Show Period	October 25-29
Move-out	October 30

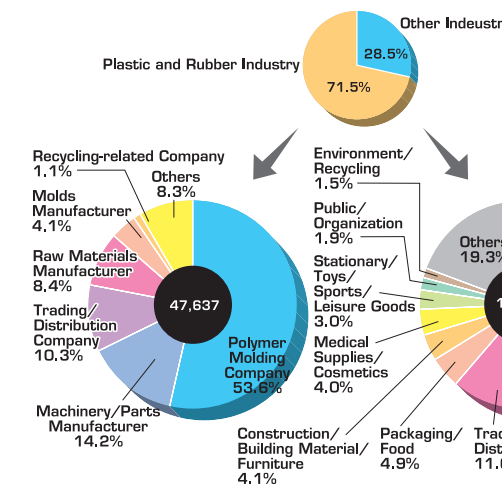

IPF JAPAN 2008 Show Report

IPF JAPAN is the only plastic & rubber trade show in Japan, which attracts professionals in the industry from all over Japan and Asia.

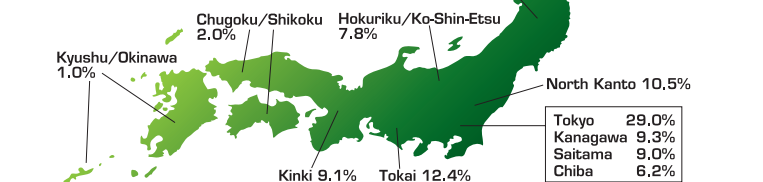

Visitors

	Japanese	Overseas	Total
IPF2008	62,762	3,880	66,642

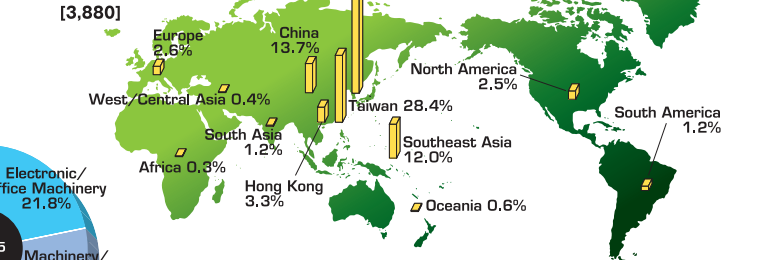

Industry Segments

Japanese Visitors by Region [62,762]

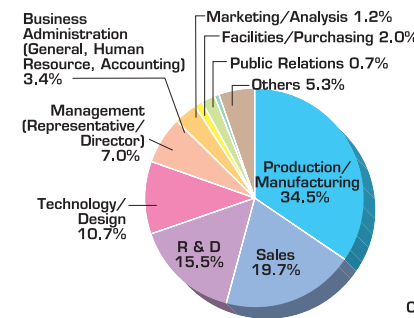

Overseas Visitors by Region [3,880]

1 Standard Booth

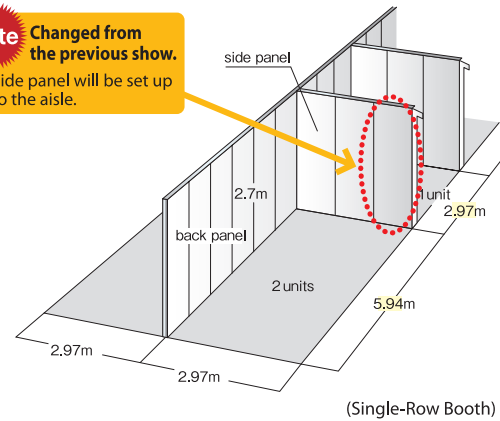

Space Fee

One Unit: **¥294,000** / 9m²

2.97m(W) × 2.97m(D) (approx.9m²)

※ The organizer provides dividing walls when one's booth attached to the others. One of the side panels will not be provided for corner booth.

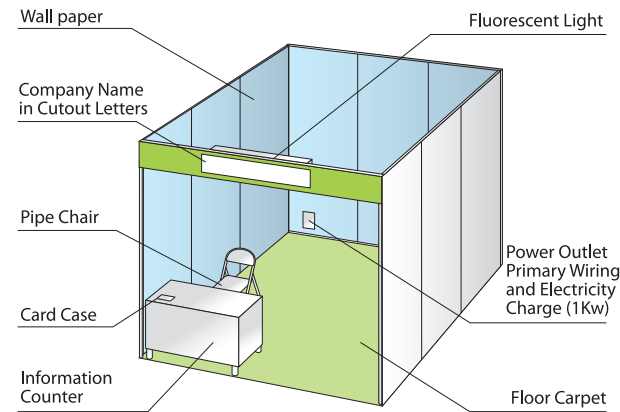

Note Changed from the previous show. Side panel will be set up to the aisle.

(Single-Row Booth)

Decoration Plan (Option)

※ Space fee is not included.

Option Price			
¥105,000	1 unit	¥294,000	4 units (Single)
¥168,000	2 units	¥283,500	4 units (Double)
¥231,000	3 units	¥388,500	6 units (Double)

Please consult the Exhibitor Manual for the details, which will be sent by June 30, 2011. Exhibitors can not order the Packaged Decoration Plan before that time.

2 Catalog Display Stand

Show your presence without hassles

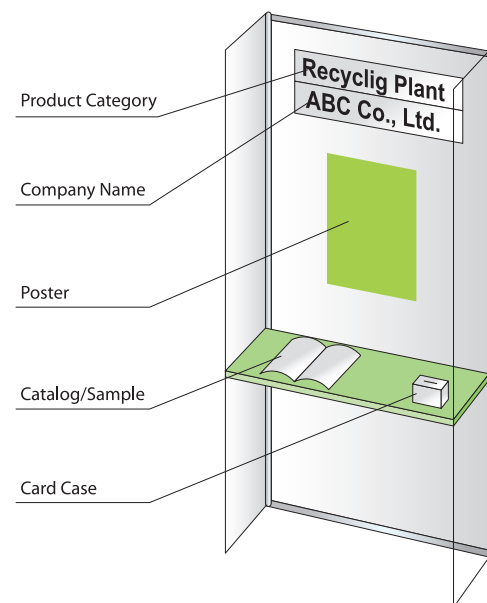

¥105,000 / One Stand

Business cards of those who request your company catalog will be collected on behalf of your company.

Display only. No one is allowed to attend the stand.

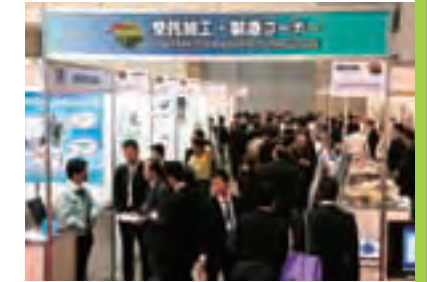

Catalog Display Stand

3 Special Booth for Contracted Manufacturing & Processing Service Expo

Who should exhibit

- 1 Industrial Component & Medical Device Zone
- 2 Secondary Processing Zone -Printing & Decorating & Cutting & Welding-
- 3 Mold Manufacturing Zone
- 4 Design & Prototyping & Manufacturing Support Zone

- Plastic & rubber processors
- Coating, printing & assembly
- Waste plastics treatment/disposal
- Electronics manufacturing services (EMS)
- Other business related to the manufacture /processing of plastics and rubber

Note: Machinery and equipment makers can not apply for the Contracted Manufacturing & Processing Service Expo.

Needs of Visitors

Looking for a suppliers ● who has unique skills ● who can make products with low cost

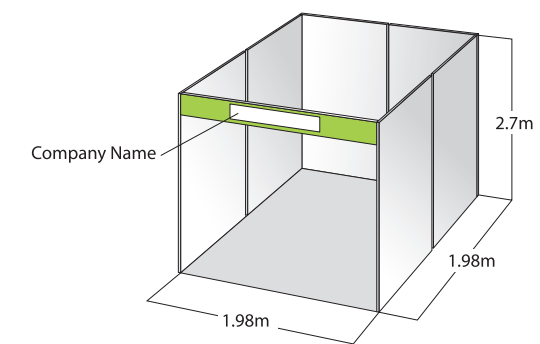

Configuration

Space Fee

One Unit: **¥157,500**

1.98m(W) × 1.98m(D) (approx.4m²)

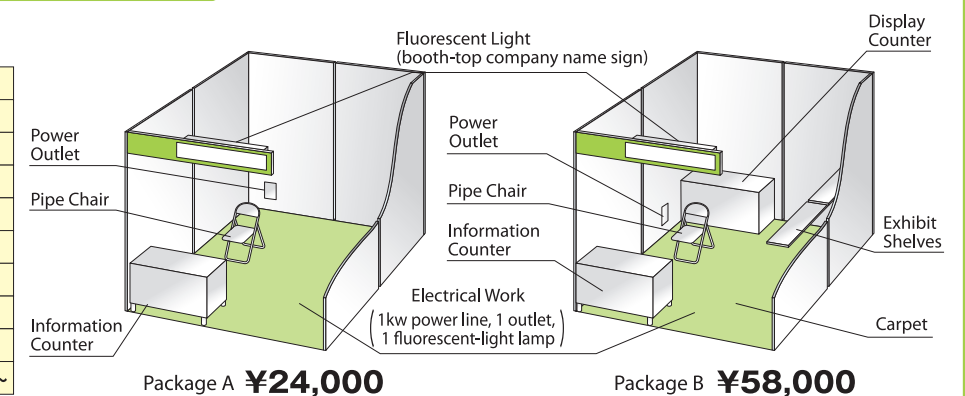

※ The organizer provides dividing walls when one's booth attached to the others. One of the side panels will not be provided for corner booth.

Decoration Plan (Option)

※ Space fee is not included.

Carpet (4m)	¥ 8,400
Display Table (1m×0.5 m)	¥ 8,400
Information Counter	¥ 5,775
Counter Chair	¥ 3,675
Folding Pipe Chair	¥ 630
Folding Table (1.5m wide)	¥ 3,360
Exhibit Shelf (3×2 racks)	¥ 15,750
Catalog Stand (A4)	¥ 5,250
Name Card Box	¥ 1,575
Information Panel (A1Size)	¥30,000~

Package A **¥24,000**

Package B **¥58,000**

Exhibitor's Presentation Seminar

Best opportunities to announce your products details.

Seminar Room Fee

50 Seats	¥105,000 / 1 Session
100 Seats	¥157,500 / 1 Session
250 Seats	¥210,000 / 1 Session

Time : 60 min./session

You can apply for consecutive sessions.

Seminar Management

Exhibitors should do the followings by themselves.

- ① Receiving applications from the would-be attendees.
- ② Distributing documents/resume to the attendees.

Date of Cancellation	Cancellation Fee
From July 1 to September 15, 2011	50% of the applied advertising fee
On or After September 16, 2011	100% of the applied advertising fee

7. Booth Allotment

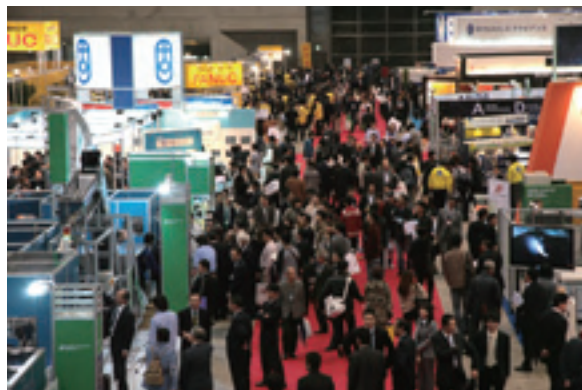

The Organizer will allot booths taking the following into consideration: the overall zoning plan, the type and scale of exhibits, demonstration plans and application date, etc.

8. Prohibition of Reselling or Renting Exhibit Space

Exhibitor must not rent, resell, exchange, or sell its exhibit space to the other, without obtaining permission from the Organizer.

9. Installation and Removal of Exhibiting Materials

- (1) Transportation and installation of exhibiting materials must be carried out during the specific period designated by the Organizer. The facilities within the booth must be installed before 4 p.m. of the previous day of the exhibition's first day. The Organizer reserves the right to dispose of the exhibit space in whatever manner the Organizer thinks appropriate, if the exhibitor does not install the exhibiting materials by the above time and date. If this happens, the exhibitor must pay the designated cancellation fee (100% of the exhibit space fee) to the Organizer.
- (2) If the exhibitor must remove, move, or transport the exhibiting materials from its booth during the period of the exhibition, the exhibitor must obtain permission of the Organizer before commencement of such activities.
- (3) The exhibiting materials must be removed from the booth by 12 p.m. of the following day of the exhibition's last day. The exhibiting materials left within the booth after this time and date will be removed by the Organizer at the exhibitor's expense.

10. Use of the Exhibition Space

- (1) The exhibitor should exhibit the products which fulfill the purposes of this exhibition.
- (2) The exhibitor should make demonstrations or any other PR activities within its own booth.
- (3) The exhibitor should carefully design its booth for not hindering the neighboring exhibitors.
- (4) The Organizer reserves the right to put restrictions on or to prohibit or to remove the exhibits of which sound, handling methods, materials or any other things are deemed unsuitable for the exhibition purposes from the Organizer's viewpoint. This right will extend to persons, articles, printed materials and any other things which the Organizer deems unsuitable. In case of the said restriction or removal, the Organizer will not be responsible for any payment.
- (5) On-site cash deals without the Organizer's approval are prohibited.
- (6) Two-story booth is prohibited.

11. Custody and Protection of Exhibits

The Organizer will take security measures such as hiring security guards for custody and protection of exhibits at the site; but will not be liable for damages or any other compensation for fire, theft, loss, damage or any other accident.

12. Damage Compensation

The exhibitor will be responsible for any or all damages caused by the carelessness of himself or his agents to exhibition, facilities, materials, building, or people.

13. Indemnity

The Organizer may by his own judgment postpone or cancel the exhibition due to circumstances beyond his control. The Organizer will, however, not indemnify any other expenses incurred to exhibitors.

14. Other Rules

Other rules and regulations will be in the exhibitor's manual which will be sent later.

15. Exhibition Contract

The exhibition contract will go into effect upon acceptance of the application form by the Organizer.

FAQ

Q: Can we (exhibitor) choose our booth location?

A: No. Exhibitors cannot choose its specific location. The Organizer will allot booths of all exhibitors, taking the following into consideration: the overall zoning plan, the type and scale of exhibits, demonstration plans and application date, etc. Larger booth and earlier application will be favorably considered. Exhibitors can submit its request about booth location to the Organizer by filling the column on the application form. The Organizer will take the request into consideration, however not be bound by it.

Q: Can we remit the fee with US dollars, Euro or RMB?

A: The Organizer asks exhibitors to send a remittance by Japanese Yen. However, if exhibitor finds it difficult to remit the amount in Japanese Yen due to local government law or regulation, please consult to the Organizer.

Q: We have not decided if we run the machines for demonstration. So we are not sure if we need to receive water supply to our booth.

A: If you have a plan to run your machines, please check the designated column. The Organizer will allocate your booth near the water pipe pit. No cancellation fee will be charged at this stage. You need to send an formal application for water supply to the water pipework company later.
