Food versus plastics

A low-angle, upward-looking photograph of a diverse group of approximately ten people of various ages and ethnicities. They are all smiling and holding their hands together in a large circle, palms facing up, against a clear, bright blue sky. The perspective makes the hands and faces appear to be reaching towards the center of the frame. The text "Stronger Together" is centered in the middle of the image in a bold, black, sans-serif font.

**Stronger
Together**

Take care of us
