

identiPlast[®] 2013

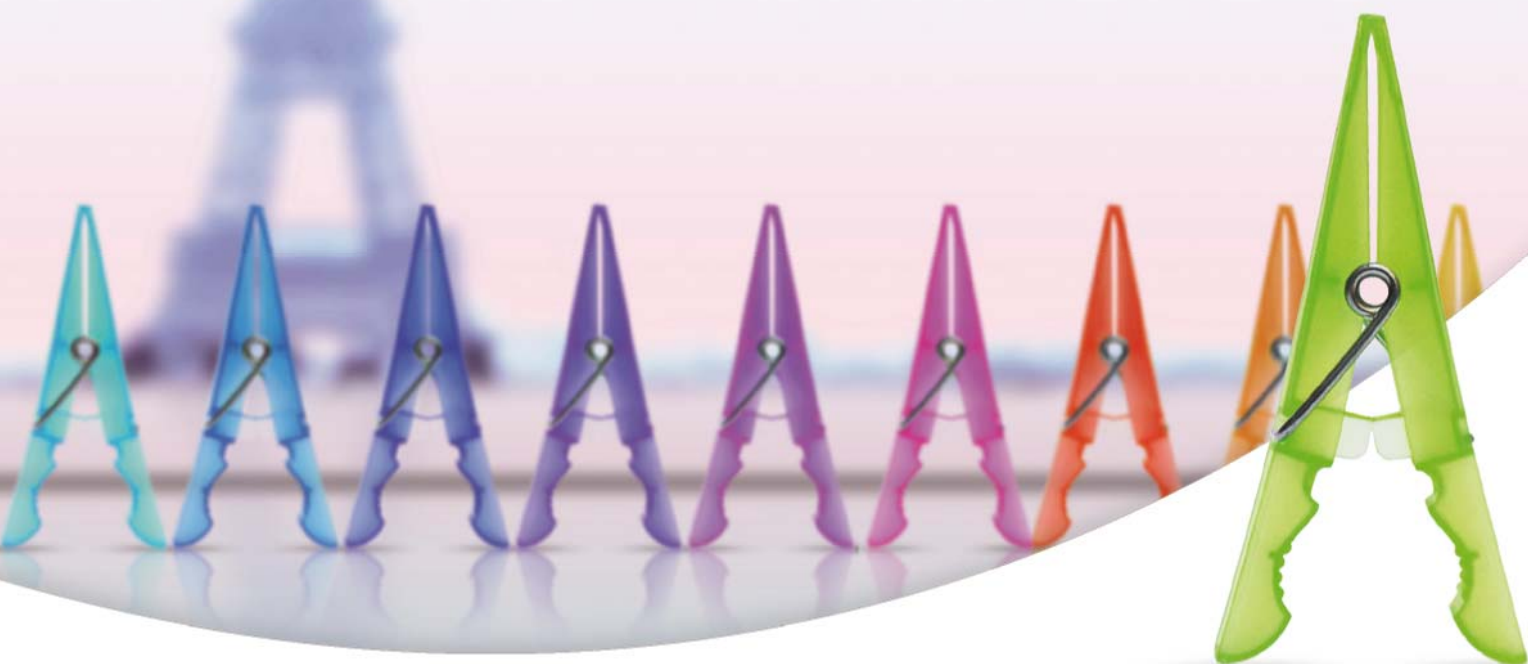

PARIS 28 & 29 NOVEMBER

11th international conference on the recycling & recovery of plastics

Towards zero plastics to landfill by 2020

Programme

An event organised by :

PlasticsEurope
Association of Plastics Manufacturers

www.identiplast.eu

Preliminary programme

Day 1 – Thursday 28th November

08:30 - 10:00 Registration and welcome coffee

10:00 - 10:50 Welcome

Jean-Paul Delevoye - President of the Conseil économique, social et environnemental (Economic, Social and Environmental Committee) 10'

Towards zero plastic to landfill by 2020 – an ambitious challenge

Carl van Camp - Senior Vice President Polymers, Total 20'

Panorama of plastics waste management in Europe

Martin Engelmann - Resource Efficiency Director, PlasticsEurope 20'

10:50 - 12:30 4 visions: from prevention to treatment options

How can plastics contribute to waste prevention? – working title

Graham Houlder – Sustainable Director, Flexible Packaging Europe & Founder of Sloop Consulting b.v. 20'

To what extent is the recovery industry impacted by the conditions of waste collection and on-site sorting ?

Cyril Fraissinet - Deputy CEO, in charge of strategic operations, SITA 20'

Criteria for sustainable plastics recycling

Bernard De Caevel - Managing Director, RDC Environment 20'

Energy recovery – working title

Luc Valaize - President of SVDU (Syndicat national du traitement et de la Valorisation des Déchets Urbains et assimilés – French association of waste-to-energy plants for municipal waste / member of CEWEP) 20'

Moderator: Peter Sundt – General Secretary, EPRO (European Association of Plastics Recycling and Recovery Organisations)

Questions & answers 20'

12:30 - 14:00 Lunch

14:00 - 16:00	How to recycle and recover 100% plastics?	
	Introduction to the session	
	<i>Laura Shields</i>	
	Introductory speech	
	<i>Elisabetta Gardini - Member of the European Parliament</i>	15'
	Discussion panel	
	<i>Patricia Blanc –General Director for the Prevention of risks, French Ministry of Ecology, Sustainable development and Energy - TBC</i>	
	<i>Koos van Haasteren - Vice President Europe, SABIC</i>	
	<i>Vanya Veras - Secretary General, MWE (Municipal Waste Europe)</i>	
	<i>Speaker still to be confirmed</i>	60'
	<i>Moderator: Laura Shields - former BBC journalist</i>	
	Questions & answers	30'
<hr/>		
16:00 - 16:30	Pause	
<hr/>		
16:30 - 16:50	EPRO Award of the best recycled product of the year	
	<i>Géraud Delorme - Co-Chairman of EPRO (European Association of Plastics Recycling and Recovery Organisations)</i>	
	<i>With the participation of cartoonist David Cessac</i>	
<hr/>		
16:50 - 17:15	Conclusion of the discussion panel & perspectives	
	<i>Wilfried Haensel - Executive Director, PlasticsEurope</i>	
<hr/>		
19:30 - 23:00	Gala dinner - cruise on the river Seine	
<hr/>		

Day 2 – Friday 29th November

08:00 - 08:30	Welcome coffee	
08:30 - 10:00	Change perspective: plastic waste as a resource to generate economic and social value in Europe.	
	Introductory speech	
	<i>Arnaud Montebourg - French Minister of Industry - TBC</i>	15'
	Discussion panel	
	<i>Julio Garcia Burgues - Head of Unit Waste Management & Recycling, Green economy Directorate, DG Environment of the EU Commission - TBC</i>	
	<i>Ton Emans - President of EUPR (European Plastics Recyclers)</i>	
	<i>Arnaud Montebourg - French Minister of Industry - TBC</i>	
	<i>Michel Valache - Deputy CEO, Veolia Propreté</i>	60'
	<i>Moderator - TBC</i>	
	Questions & answers	15'
10:00 - 10:30	Pause	
10:30 - 12:00	Second life for used packaging	
	Innovations in optical sorting extend the frontiers of recovery for plastic films, pots and trays	
	<i>Frédéric Demarez - Director of the Recycling Department, Communication and Strategy, Pellenc selective technologies (FR)</i>	15'
	Let's recycle more plastics but in the right way	
	<i>Michael Scriba - CEO of MTM Plastics GmbH (GE)</i>	15'
	Collecting all household plastic packaging waste - Key learning from the French pilot test	
	<i>Géraud Delorme - General Manager, Valorplast (FR)</i>	20'
	<i>Eco-Emballages (FR) – Speaker to be specified</i>	20'
	<i>Moderator - Still TBC</i>	
	Questions & answers	15'
12:00 - 13:00	Lunch	

13:00 - 14:00 **Quality recycling**

End of waste criteria as a tool to achieve quality recycling

Alejandro Villanueva - Scientific Officer, Institute for Prospective Technological Studies - Joint Research Center (SP)

State of the art recycling and perspectives for the recovery of plastics from WEEE

Richard Toffolet - Technical Director, Eco-Systèmes (FR)

15'

Recycled plastic bumpers out of various waste streams

Frédéric Viot - Eco-design and Recycling Manager, Plastic Omnium (FR)

15'

Moderator - Still TBC

Questions & answers

15'

14:00 - 15:00 **What role for energy recovery of plastics tomorrow?**

Pan European study on SRF potential

Marc Cheverry - Head of Unit Waste prevention and management, Ademe (FR)

15'

The benefits of energy from waste / The Danish example

Professor Thomas Hoejlund Christensen, Danish Technical University (DK)

15'

The benefits of using SRF in a dedicated thermal plant

Norbert Mingels - Head of Energy Sourcing, Solvay Group (DE)

15'

Moderator – Christophe Journet, Chief Editor, MPE Media

Questions & answers

15'

15:00 - 15:30 **Pause**

15:30 - 16:10 Back to the future thanks to feedstock recycling?

Industrial experiences in plastic waste conversion into clean gas with Ecoloop

Roland Möller – Chief Operations Officer, Ecoloop GmbH (GE)

15'

Title still to be defined

Graig Cookson - Director of Sustainability and Recycling , Plastics Division of the American Chemistry Council

15'

Moderator - Christophe Journet, Chief Editor, MPE Media

Questions & answers

10'

16:10 - 16:25 Closing remarks

Michel Loubry - Director West Region of PlasticsEurope

16:25 - 16:30 Invitation to IdentiPlast 2014
