

PIE Price Trend Analyses Terms of use and subscription 2021

§ 1 Scope

The PIE Price Trend Analyses for plastics procurement are published monthly by Kunststoff Information Verlagsgesellschaft mbH, Saalburgstr. 157, 61350 Bad Homburg, GERMANY, tel: +49 (0) 6172 9606-0, fax: +49 (0) 6172 9606-99, e-mail: info@pieweb.com. Responsible for the contents: Wolfgang Binder, Bergheim. All publications are to the best of knowledge and belief but without guarantee.

§ 2 Conclusion of contract

The PIE Price Trend Analyses are only accessible through a subscription. The subscription is automatically renewed for 12 months at the going fee unless it is cancelled (in writing) up to 4 weeks before the ending of the previous subscription period. Our cancellation confirmation serves as receipt of the termination.

§ 3 Use/Delivery

The subscription includes the supply of 12 Price Trend Analyses (PDF) per year, sent via e-mail.

In case of late payments, PIE reserves the right to cease or bar delivery following a previous warning. Place of jurisdiction is Bad Homburg, Germany.

§ 4 Right of use

The duplication and/or dissemination of the Price Trend Analyses is not permitted. Passing their content (even parts of it) on to third parties (including other company sites or affiliates), disseminating, copying or saving them in a manner that allows third-party access is not allowed without the express consent of the publisher. Any copy, transfer, dissemination or disclosure of all or parts of the reports by commercial companies to third parties is subject to liability for damages of double the amount of one year's subscription price.

§ 5 Prices

Each subscription is to be paid in advance. Unless otherwise stated, the amounts indicated refer to a billing period of 12 months. Net invoice amounts are due within 30 days. Payment should be free of charge for the recipient. Bills are sent electronically by e-mail as a PDF attachment. Any adjustments to the subscription fees will be announced, by print/publication or notification by e-mail, that a timely termination with notice is possible, and will take effect from the next billing.
